1	[1.1.1] Operationalizing new system of medicine disbursement and procurement during the year in Regional Centres on pilot basis.	One of the major challenges being faced by the ECHS is shortage of medicines prescribed by the doctors at polyclinics. Presently the supply of medicines to polyclinics is the responsibility of Directorate General of Armed Forces Medical Services (DGAFMS). The system for procurement and supply of medicines through DGAFMS which is primarily geared for combat medical support to troops deployed in border areas is not able to meet the requirement of ECHS which is spread across the country. Hence, there is a requirement of putting in place an alternative system for procurement and disbursement of medicines to ECHS beneficiaries.	The Department has decided to outsource pharmacy outlets in polyclinics to reputed pharma retail chains through competitive process of open tendering. The vendor offering maximum discount on MRP for the medicines supplied to ECHS beneficiary will be awarded the contract for one year on a pilot basis. The selected vendor will be responsible for the entire supply chain management and dispensation (by employing pharmacists) of medicines as per the prescription of doctors at selected polyclinics.	The success will be measured in terms of the ability of the Department to implement the new system of outsourcing pharmacies as planned at 6 Regional Centers covering about 80 polyclinics.	This measure is expected to enhance the satisfaction level of the beneficiaries by providing complete quota of prescribed medicines on time. This proposal is still under consideration. Operationalization is dependent on timely approval by the competent authority.
2	[1.1.2] Number of Polyclinics where the new system of supply is made operative.	Same as 1.1.1	Same as 1.1.1	Same as 1.1.1	Same as 1.1.1

3	[1.2.1] Extension of online billing process to additional Regional Centres.	ECHS has been facing difficulties in attracting and retaining good private hospitals for empanelment with the scheme. The primary reason for this is the inability of ECHS to pay hospitals dues on time. To overcome this difficulty, the Department had implemented a pilot project for on-line computerized processing of hospitals bills with the assistance of a Bill Processing Agency at 5 Regional Centers in the year 2012-13. The Department now plans to extend this system to 5 more Regional Centers.	<p>The process involves :-</p> <p>(a) Setting up required hardware, software and Internet connectivity at the polyclinics and Regional Centers.</p> <p>(b) Registration and setting up of the system at empanelled hospitals.</p> <p>(c) Opening of cash assignment account at Regional Centers.</p> <p>(d) Training of ECHS and hospital staff.</p> <p>(e) Hand holding and monitoring till the system stabilizes.</p>	The success will be measured in terms of number of Regional Centers where the new system is implemented during the year. The target for the year is 5 Regional Centers.	Online bill payment process will reduce the time taken for payment of bills to the hospitals which in turn will result in attracting more hospitals for empanelment with ECHS.
4	[2.1.1] Operationalize new Polyclinics.	The Government in year 2002 had sanctioned 227 polyclinics and 13 Regional Centers. All the polyclinics were made operational by the year 2008. Subsequently, additional 199 polyclinics and 15 Regional Centers were sanctioned in the year 2010. By the end of financial year 2012-13, 109	The process of operationlizing polyclinics involves recruitment of contractual staff specially doctors, identification and hiring of suitable building, procurement of medical equipments and furnishing the polyclinics.	The success will be measured in terms of number of ECHS polyclinics made operational during the year.	These polyclinics will be opened in new areas, thereby making ECHS facilities available to larger number of ECHS beneficiaries.

5	[2.1.2] Operationalize new Regional Centres.	Same as 2.1.1	For operationalizing Regional Centers respective Service HQ (Army/Navy/Air Force) have to identify suitable accommodation within the military Station and post service manpower as per the scale to these organizations.	The success will be measured in terms of number of Regional Centers made operational during the year.	These Regional Centres will be opened in new areas, thereby making ECHS facilities available to larger number of ECHS beneficiaries.
6	[2.1.3] Operationalize new Polyclinics in Nepal.	The Government in the year 2012 has sanctioned 6 ECHS clinics in Nepal for Nepal Domiciled Ghorkha Ex-servicemen of Indian Armed Forces.	The process of operationalizing polyclinics involves recruitment of contractual staff specially doctors, identification and hiring of suitable building, procurement of medical equipment and furnishing the polyclinics.	The success will be measured in terms of number of ECHS polyclinics made operational during the year in Nepal.	Opening of ECHS polyclinics in Nepal will make the scheme more accessible to Gorkha ex-servicemen in Nepal.

13	[5.1.1] Disposal of pension grievances within 3 months of receipt of grievance.	and related issues, financial assistance, resettlement etc. are being received from ESM/dependents. For this purpose, there is a dedicated Pension Grievance Cell in the Department which monitors these grievances and takes necessary action for redressal.	CGDA, PCDA, Record Offices, Service HQ etc. for redressal. (c) On receiving inputs, suitable replies are furnished to the petitioners by the respective organisations.	Percentage of pension grievances disposed within 3 months of receipt of grievance.	Speedy redressal of pension related grievances will improve the financial condition of the ESM /dependents and their overall satisfaction level
14	[6.1.1] Number of episodes to be telecast.	Media campaign through documentary films on Doordarshan based on the success stories of ESM. There are various welfare and resettlement schemes which are administered by DGR and KSB. However, a large section of the Ex-servicemen are not aware of the available schemes as a result they are unable to reap the benefits of the same. To create awareness among the Ex-servicemen and the society in general, media campaign through documentary films. It is proposed to produce and telecast of 13 episode serial on Doordarshan based on the success stories of Ex-servicemen and their dependents.	The process involved is as under: (a) The success stories for production of a Doordarshan serial have been submitted to the production agency for shooting the 13 films. (b) On completion, the films are submitted for vetting/approval of the Department. (c) After finalization of the schedule the same will be telecast by Doordarshan.	A 13 episode Serial is to be telecast on Doordarshan. Success will be measured by the number of episodes telecast.	Ex-servicemen are a vast repository of disciplined, skilled manpower. This reservoir needs to be tapped for nation building and there is need to sensitize the general public and corporate sector in particular about the skills, dedication and discipline of the ESM.

15	[7.1.1] Finalisation of Regulation	Pension Regulation of Air-force 1961 to be revised and updated.	Revision of Army Pension Regulation has already been achieved upto July, 2008. Revision of Pension Regulation for Air-force has been taken up to bring in line with Pension Regulation Act, 2008.	Completion of the process within the target date.	Latest regulations would enable ESM to know their pensionary entitlements.
16	[8.1.1] Collection of updated data from States/UTs	Maintenance of updated data of ESM and dependents including widows. For collection of data in respect of ESM and dependents including widows etc. DGR is dependent upon Rajya Sainik Boards and Zila Sainik Boards. As the registration of the details with RSBs/ZSBs is not compulsory, up to date complete data is not available. DGR is making concerted efforts to collect and compile authentic and updated data of ESM and their dependents which will help formulate schemes and policies for welfare and rehabilitation for ESM.	The process involved is as under: (a) For collection of data on ESM and dependents, DGR seeks inputs from RSBs/ZSBs on six monthly basis in the prescribed format. (b) Data is based on the registration with RSBs/ZSBs which is voluntary. (c) The data so received from RSBs/ZSBs are compiled in DGR	Number of States/UTs from where complete data is received.	Data is an integral part to formulate holistic policies and to improve extant procedure for welfare and rehabilitation programme for ESM. However as registration with RSBs/ZSBs is voluntary, the data so collected at any given point of time is not complete.
